Notes:

1. All counts are rounded to the nearest ten and all amounts are reported in thousands. The sum of the data may not add to the total due to rounding.
2. A zero [0] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.
3. Children in a shared custody arrangement are counted under each recipient.
4. The CRA uses the taxfiler's mailing address and postal code as they appear on the T1 Income Tax and Benefit Return to determine the forward sortation area. The totals in this table may not match other tables in this publication due to missing FSA information.
