Notes:

1. All counts are rounded to the nearest ten and all amounts are rounded and in thousands of dollars.
2. The number of recipients for each province includes all individuals who have received a payment from that province during the benefit year. A small percentage of individuals may be counted in more than one province as they moved between provinces during the benefit year. The total is counting each individual once, as is, the total is not equal to the summation of the provinces.
3. Data as of January 15, 2025.
