Thousands of students across Canada, just like you, have been asked to take part in this survey. This important survey will help Health Canada to better understand tobacco, alcohol, and drug use among young people in Canada.

We value your help today.

**Please use a pencil to complete this questionnaire.**

- **Even if you don't use tobacco, alcohol, or drugs**, please make sure you answer each question so that all students take the same amount of time to complete the questionnaire.
- **This is NOT a test.** All of your answers will be kept **confidential**. No one, not even your parents or teachers, will ever know what you answered. Please be honest when you answer the questions.
- Mark only **ONE option per question** unless the instructions tell you to do something else.
- If you do not understand a question, or do not wish to answer a question, leave it blank and continue to the next question.
- Choose the option that is the **closest** to what you think/feel is true for you.
