

Regional Tariff Response Initiative

RTRI is here for Canadian businesses facing trade challenges

**Built on strong
Canadian industries**

**Powered by
Canadian demand**

**Strengthened by
new trading partners**

Turning trade barriers into growth opportunities

\$1 billion national fund delivered by Canada's regional development agencies to support businesses hit by tariffs.

\$80 million delivered by ACOA to help Atlantic Canadian businesses impacted by tariffs diversify, modernize and reach new markets.

How can eligible businesses benefit?

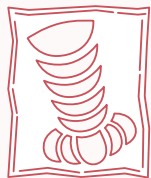

Repayable and non-repayable support for businesses in every impacted sector.

Up to \$1M in non-repayable contributions.

Interest-free repayable funding.

With ingenuity and ACOA support, Atlantic Canadian businesses can weather any storm and help shape Canada's economic future.

How could it help my business?

Seafood

Innovative packaging solutions for new markets, such as vacuum-sealed lobster tails and flash-frozen crab clusters.

Fisheries & Agriculture

Cold storage solutions & live-holding systems so product stays fresher longer and can travel farther.

Steel

Upgrades and plant modernization to support Canada's shipbuilding and construction sectors.

Manufacturing

Optimizing processing lines and supply chains to boost efficiency, competitiveness and resilience.

Information current as of September 18, 2025.
