Fast Facts about the Repayment Assistance Plan

If you have student loans from Alberta, British Columbia, Ontario, New Brunswick, Newfoundland and Labrador, Nova Scotia or Saskatchewan, and/or Canada Apprentice Loans, this single application will cover both your Federal and Provincial loans under the applicable Federal and Provincial RAP programs, and Interest Relief for some provincial loans.

If you are approved for the Repayment Assistance Plan (RAP), your loan payment terms will be altered during your approved period of RAP in accordance with the applicable Federal and Provincial RAP programs. More specifically, if you are approved for RAP, your monthly payment amount will be reduced to an affordable payment that will never exceed 20% of your gross family income, and may be reduced to a zero payment amount. During an approved period of RAP, all payments will be applied to your principal first. If you are not approved for RAP, you will remain responsible for making your regular loan payments in accordance with your payment terms.

Periods of Assistance: RAP is available in six month blocks of time (to a maximum of 180 months) at any point during your loan repayment.

Re-Application: At the end of your six month RAP term, if you wish to continue with repayment assistance, you must re-apply. If not, you are responsible for making your regular loan principal and interest payments in accordance with your regular payment terms. Depending on the impact of RAP on your Outstanding Loan Balance, your payment amount may increase or your amortization period may be extended.

Restrictions: If you are approved for RAP, you may be subject to restrictions, if (1) you fail to make all your affordable payments by the end of the month following your six-month RAP period, or (2) you receive "write down" benefits in RAP Stage 2. Restrictions will prevent you from obtaining further loans and grants until you have fully paid your existing student and/or apprentice loans.

If you are on RAP-PD and have one or more provincial student loan(s) from the province of Ontario, a restriction may be applied to these loans. This restriction will be effective five years after your completion of studies. It will prevent you from receiving future student grants and loans from that province. The restriction will be removed after you have paid that provincial student loan in full. This does not apply to Canada Student Loans and student loans from other provinces that offer RAP-PD.

Further details on restrictions are available through the National Student Loans Service Centre (NSLSC) or at NSLSC.ca.

Date and Signature: You must sign and date your application and ensure that the NSLSC or your Financial Institution receives your application within 40 days of your signature date. The NSLSC and/or the Canada Apprentice Loan Service Centre will send a letter to you with the result of your application.
