Application for Assistance for Part-Time Studies

The *Canada Student Loans Act and Regulations* (CSLA) and / or the *Canada Student Financial Assistance Act and Regulations* (CSFAA) set forth the legal rights and obligations of a student and should be referred to in the case of uncertainty or dispute. With respect to the assistance available to Part-Time students through the Canada Student Financial Assistance Program (CSFA Program), the following definitions apply:

- Canada Student Loan (CSL) - the repayable financial assistance to help eligible students pay for post-secondary education at a designated college, university, or other post-secondary institution, according to the Canada Student Financial Assistance Regulation.
- Canada Student Grant (CSG) - financial assistance awarded to qualifying students for the specific purpose of paying eligible costs associated with the undertaking of a program of studies, as set out by the CSFA Program.
 - Grant amounts are non-repayable provided that the eligibility criteria is maintained for the duration of the study period for which the grant was awarded.

This application form will be used to assess your eligibility for Part-Time CSL assistance as well as CSG assistance for Part-Time Studies.

Incomplete applications cannot be processed. Please ensure that all requested information is provided. You must have a valid Social Insurance Number (SIN) to apply. Print clearly and sign the application in ink.

Instructions To The Applicant

- Have the Educational Institution where you are pursuing your Part-Time studies complete Section **E**.
- Submit the completed application form to the appropriate authority in the province in which you last resided for at least 12 months in a row (not including time spent as a full-time post-secondary student). If you are applying in the province or territory of SK, MB, NS, NL, PEI, NB or YT, you must submit a copy of your Notice of Assessment (and a copy of your spouse's or common-law partner's Notice of Assessment, if applicable). See list of Appropriate Authorities on Page 4 of the application.

Residency definition: The province or territory of residence of a part-time student is where they have last lived for at least 12 months in a row, not including time as a full-time post-secondary student (but including time as a part-time post-secondary student).

Note to Applicants with Permanent Disabilities

The CSFA Program provides for the option of being considered Full-Time or Part-Time for students with permanent disabilities taking between 40% and 59% of a Full-Time course load and additional assistance for students with permanent disabilities who demonstrate that they have a permanent disability which restricts their ability to participate in post-secondary studies.

If you are an applicant with a permanent disability and you require additional funding to offset exceptional, education-related costs related to your permanent disability, you may wish to contact your provincial student aid office and / or financial aid office at your Educational Institution and apply for the Canada Student Grant for Services and Equipment for Persons with Permanent Disabilities (CSG-PDSE).
