Health Canada Registration Process Address Locator: 0302B Ottawa, ON K1A 0K9

#### **Privacy Notice**

The personal information you provide to Health Canada is governed in accordance with the Privacy Act. We only collect the information we need to administer the Production for Own Medical Purposes and Production by a Designated Person Program authorized under the Access to Cannabis for Medical Purposes Regulations.

**Purpose of collection:** We require your personal information to process your request for registration as per sections 177(3) to 177(7) and 181(2) of the *Access to Cannabis for Medical Purposes Regulations*.

**Other uses or disclosures:** Your personal information may be shared with law enforcement entities to confirm your lawful possession and production of cannabis. In limited and specific situations, your personal information may be disclosed without your consent in accordance with subsection 8(2) of the *Privacy Act*.

**Refusal to provide the information:** Failure to provide the requested information will result in your request not being processed and your registration form and accompanying documents being returned.

**For more information:** This personal information collection is described in Info Source, available online at infosource.gc.ca. A Personal Information Bank (PIB) is under development and will be included in infosource.gc.ca.

Your rights under the *Privacy Act*: In addition to protecting your personal information, the *Privacy Act* gives you the right to request access to and correct your personal information. For more information about these rights, or about our privacy practices, please contact Privacy Coordinator at 613-946-3179 or <a href="mailto:privacy-vie.privee@hc-sc.gc.ca">privacy-vie.privee@hc-sc.gc.ca</a>. You also have the right to file a complaint with the Privacy Commissioner of Canada if you think your personal information has been handled improperly.

A3. Production Area			
I will produce marihuana plants (please Entirely indoors or Entirely outdoors or Partly indoors and partly outdoors	• /		
A4 Storage Site			

Where will the cannabis, other than marihuana plants, be stored?

At your ordinary place of residence (the address which was provided under Section 2 of the Access to Cannabis for Medical Purposes Regulations Registration Form.)

or

At the proposed production site if different than your ordinary place of residence (the address which was provided under Section A1 of this Annex.)

#### A5. Applicant's Declaration and Signature – Personal-use Production

I declare that within the preceding ten (10) years, I have not been convicted, as an adult, of a designated cannabis offence - or an offence that, if committed outside of Canada, would have constituted such an offence - that was committed while I was authorized to produce cannabis under the Act, other than under the former Marihuana Medical Access Regulations.

I declare that within the preceding ten (10) years, I have not been convicted, as an adult, of a designated marihuana offence - or an offence committed outside Canada that, if committed in Canada, would have constituted such an offence - that was committed while they were authorized to produce marihuana under the Act, other than under these Regulations, or by virtue of an injunction order issued by a court.

If I've indicated on this application that I plan to produce marihuana plants entirely outdoors or partly outdoors and partly indoors, I declare and confirm that the boundary of the land on which the production site is located does not have any point in common with the boundary of the land on which a school, public playground, day-care facility or other public place frequented mainly by persons under 18 years of age is located.

I declare and confirm that the cannabis will be stored indoor at the proposed storage site indicated in section A4 of this Annex.

I declare that I will comply with the limit on the maximum storage quantity of dried marihuana or its equivalent indicated in the registration

I declare that I will comply with the limit on the maximum number of plants in production indicated in the registration

I declare that I will take all necessary measures to ensure the security of the marihuana plants and cannabis			
I attest that the information contained in this registration form Annex A is correct and complete.			
Applicant cignature:	Print name:	Date:	
Applicant signature:	Plint name.	Date.

o (full name of applicant) to produce marihuana plants on this property in				
accordance with the Access to 0	Cannabis for Medical Purpo	ses Regulations.		
Signature of Production Site Co-Owner:				
Date:				
B5. Production Area				
I will produce marihuana plants (please choose only one):				
Entirely indoors; or,	Entirely outdoors; or,	Partly indoors and partly outdoors		

#### **B6. Storage Site**

Where will the cannabis, other than marihuana plants be stored?

At my ordinary place of residence (the address which was provided under Section B1 of this Annex)

At the proposed production site (the address which is provided under Section B3 of this Annex.)

#### B7. Authority to communicate to Canadian police

To reduce the possibility of police intervention when you engage in activities allowed under your registration Health Canada may communicate limited information to Canadian police in response to a request in the context of an investigation under the Controlled Drugs and Substances Act, or the Access to Cannabis for Medical Purposes Regulations.

#### **B8. Designated Person's Declaration and Signature**

I declare that, within the ten (10) years preceding the date of this application, I have not been convicted, as an adult, of a designated drug offense, as defined in section 2 of the *Narcotic Control Regulations*.

I declare that, within ten (10) years preceding the date of this application, I have not been convicted, as an adult, of an offence committed outside of Canada that, if committed in Canada, would have constituted a designated drug offence.

I declare that, within ten (10) years preceding the date of this application, I have not been convicted of a designated drug offense as a young person in ordinary court, as those terms were defined in subsection 2(1) of the *Young Offenders Act*, chapter Y-1 of the Revised Statues of Canada, 1985, immediately before the Act was repealed.

I declare that, within ten (10) years preceding the date of this application, I was not a young person who received an adult sentence, as those terms are defined in subsection 2(1) of the *Youth Criminal Justice Act*, in respect of a designated drug offence.

I declare that, within ten (10) years preceding the date of this application, I did not commit an offence committed outside Canada when I was at least 14 years old but less than 18 years old that, if committed in Canada, would have constituted a designated drug offence and would have resulted in a longer sentence than the maximum youth sentence that could have been imposed under the *Youth Criminal Justice Act* for such an offence.

If I've indicated on this application that I plan to produce marihuana plants entirely outdoors or partly outdoors and partly indoors, I declare and confirm that the boundary of the land on which the production site is located does not have any point in common with the boundary of the land on which a school, public playground, day-care facility or other public place frequented mainly by persons under 18 years of age is located.

I declare and confirm that the cannabis will be stored indoor at the proposed storage site referred to in section B6 of this Annex.

I declare that I will comply with the limit on the maximum storage quantity of dried marihuana or its equivalent indicated in the registration

I declare that I will comply with the limit on the maximum number of plants in production indicated in the registration

I declare that I will take all necessary measures to ensure the security of the marihuana plants and cannabis

I attest that the information contained in this registration form Annex B is correct and complete
