

Do you host free tax clinics? Grant funding may be available!

The Canada Revenue Agency (CRA)'s Community Volunteer Income Tax Program (CVITP) Grant can help community organizations offset the cost of hosting a free tax clinic.

What is the CVITP Grant?

The CRA has a pilot program offering grants to community organizations that host free tax clinics through the CVITP or Income Tax Assistance – Volunteer Program (ITAVP) in Quebec. Free tax clinics help people with a modest income and a simple tax situation file their tax returns, ensuring they receive the benefits and credits they are entitled to.

Organizations that host free tax clinics from June 1, 2024 to May 31, 2025 can submit grant applications for year four of the grant program starting on May 1, 2025. Applications close on June 30, 2025.
