

Request to Reduce Old Age Security Recovery Tax at Source

Year _____

- Use this form to request to reduce your old age security (OAS) recovery tax if you estimate that your income for the current year will be lower than the previous year.
- **Before you send us your request**, ensure that your income tax returns for the previous years are filed and all amounts owing are paid in full. You must have also received the Notice of assessment issued by Canada Revenue Agency (CRA) for all the tax returns filed for those years.
- The OAS recovery tax period is from July of the current year to June of the following year. You will need to submit a new request if your situation remains unchanged after this period.
- If your request is granted by CRA, the information will be transmitted to Service Canada (SC) who will process the request in approximately two months.
- The recovery tax already withdrawn from your OAS payments will be indicated in Box 22, Income tax deducted, of your T4A(OAS) slip and would have to be reported on Line 437, Total income tax deducted, of your Income Tax and Benefit Return in the year of the payments.
- You may consult Line 235, Social benefits Repayment, and the Federal Worksheet included in the General Income Tax and Benefit Guide to get information on the OAS repayment and its calculation.
- Send the filled out form with all the supporting documents to your taxpayer services regional correspondence centre. You can find the address on page two. Refer to the General Income Tax and Benefit Guide for information on which supporting documents are required to justify your requested deductions and credits. Incomplete forms may result in processing delays.

Identification			
First name	Last name	Social insurance number	
Address			
City	Province or territory	Postal code	Telephone number
