PART I - Calculation of Income Allocable to Various Jurisdictions

- | | |
|-------------------------------------------------------------------------------------------------------------|----------|
| 1. Net Income (from line 236, page 2 of T1 Return) | \$ _____ |
| 2. Net Income from Self-Employment including partnership income at line 122 of T1 Return (excluding losses) | _____ |
| 3. Excess (if any) of "Net Income" over "Net Income from Self-Employment" | \$ _____ |

Note: If there is an "Excess", enter the excess in column 3 below and allocate that amount to the Province of Residence. The percentages in column 5 are to be computed for each jurisdiction on the basis of the incomes in column 4.

If there is no "Excess", the percentages in column 5 are to be computed on the basis of the incomes allocated to the jurisdictions (including the province of residence) in column 2, which percentages are applied to the Net Income at line 1 above to compute the allocations in column 4.

2. PART II - Calculation of Net Federal Tax

- Foreign Tax for the year not included in Business-Income Tax, minus any amount deductible under subsection 20(11) or deducted under subsection 20(12) of the Income Tax Act, but does not include a tax, or a portion of a tax: (a) that would not have been payable had the taxpayer not been a citizen of the foreign country, and that cannot reasonably be regarded as attributable to income from a source outside Canada, (b) that may reasonably be regarded as relating to an amount that any other person or partnership received or is entitled to receive from the foreign country, (c) that may reasonably be regarded as attributable to the taxpayer's income from employment to the extent of the lesser of the amounts determined in respect thereof under paragraphs 122.3(1)(c) and (d) for the year, or (d) that may reasonably be attributed to a taxable capital gain or a portion thereof in respect of which the taxpayer has claimed a deduction for the year under section 110.6.
- Net foreign non-business income less any capital gains deduction claimed attributable to capital gains from the foreign country and any portion thereof that was deductible under subparagraph 110(1)(f)(i).
- Net income less any capital losses of other years allowed, capital gains deduction claimed, stock option and shares deductions, employee home relocation loan deduction and any portion thereof that was deductible under paragraph 110(1)(f).
- NOTE: If an election was made on form T581 for the year, use line (9) of that form. If negative, the "Net Income" is Nil.
- Does not include a tax, or the portion of a tax, that may reasonably be regarded as relating to an amount that any other person or partnership received or is entitled to receive from the foreign country.
