- Use this schedule to claim a British Columbia interactive digital media tax credit (BCIDMTC) under Part 10 of the *Income Tax Act* (British Columbia).
- The BCIDMTC program provides a refundable 17.5% tax credit on net eligible salary and wages incurred after August 31, 2010, and before September 1, 2018, by eligible corporations to develop interactive digital media products in British Columbia.
- A corporation can not claim the BCIDMTC if it has claimed a British Columbia scientific research and experimental development tax credit for the tax year.
- A corporation is eligible for the BCIDMTC if it meets all of the following criteria:
 - it is registered with the British Columbia Ministry of Finance for the tax year;
 - it has a permanent establishment in British Columbia at any time during the tax year;
 - it is a taxable Canadian corporation throughout the tax year;
 - either of the following applies:
 - (i) the corporation's principal business in the tax year is the development of interactive digital media products; or
 - (ii) all or substantially all of the corporation's business in the tax year consists of one or both of the following:
 - (A) the development of interactive digital media products; or
 - (B) the provision of eligible activities to a corporation who has a permanent establishment in British Columbia and whose principal business is the development of interactive digital media products; and
 - the amount equal to the eligible salary and wages, as determined under subsection 134(2) of the *Income Tax Act* (British Columbia) for the corporation for the tax year, is greater than \$100,000. If the tax year is less than 365 days, the \$100,000 threshold is prorated based on the number of days in the tax year divided by 365.
- To claim the BCIDMTC, file a completed copy of this schedule within 18 months after the end of the tax year in which the eligible salary and wages were incurred. Late-filed tax credit forms will not be processed.
- Include a completed copy of this schedule with the *T2 Corporation Income Tax Return* for the tax year.

Eligible salary and wages* **400** _____ A

Deduct:

Designated assistance** **450** _____ B

Net eligible salary and wages (amount A minus amount B) (if negative, enter "0") **490** _____ C

* **Salary and wages** has the same meaning as "salary or wages" in section 248 of the federal Act. Eligible salary and wages includes amounts that:

- a) are directly attributable to eligible activities;
- b) are incurred:
 - by the corporation in the tax year; and
 - after August 31, 2010, and before September 1, 2018;
- c) are paid to an individual who was resident in British Columbia at the end of December 31 of the year preceding the end of the tax year for which a tax credit is claimed; and
- d) are either of the following:
 - included in the cost of a property to the corporation in the tax year or, in the case of depreciable property, the capital cost to the corporation in the tax year; or
 - deductible as an outlay or expense in computing the income of the corporation for the tax year.

Eligible salary and wages do not include amounts listed under subsection 134(1) of the *Income Tax Act* (British Columbia).

** Designated assistance is the total of all amounts that would be included under paragraph 12(1)(x) of the federal Act in computing the income of the corporation for the tax year, if that paragraph were read without reference to subparagraphs (v) to (vii) of that paragraph and that can reasonably be considered to be for eligible salary and wages. Designated assistance does not include:

- a) a prescribed amount. No amount has been designated as prescribed;
- b) an amount deemed to have been paid under section 135 of the *Income Tax Act* (British Columbia); or
- c) an amount deducted under subsection 127(5) or 127(6) of the federal Act.
