

Part 2 – Eligible children – Be sure you include **all** your eligible children in Part 2, whether or not child care expenses were incurred for all of them. An eligible child is a child under 14 years of age (born in 1977 or later) at any time during 1991, or a child 14 years of age or older (born before 1977) who is dependent on you or your spouse because of a mental or physical infirmity. An eligible child may be (i) your child, (ii) your spouse's child, or (iii) a child for whom you have claimed a personal amount.

2(a) Eligible children who were 6 years of age or under on December 31, 1991 (born in 1985 or later), **OR** who, at any age, have a severe and prolonged mental or physical impairment (you have to submit a completed copy of Form T2201, *Disability Credit Certificate*).

Name of child	Date of birth			If child has a severe and prolonged mental or physical impairment, state nature of impairment	If expenses relate to stay in boarding school, overnight sports school or camp, state number of weeks attended

Part 3 – Limitations

Limitation A – Child care expense payments

- Provide details below of the organization(s) or individual(s) to whom the payments were made. If the payments were made to an individual, include his or her social insurance number.
- Do not include payments made to (i) the parent or a supporting person of an eligible child listed in Part 2, (ii) a person claimed as a dependant by you or another supporting person, or (iii) a person who is under 18 years of age (based on proposed legislation) and related to you or your spouse.
- If payments were made to a boarding school, overnight sports school or camp, do not include any amount in excess of (i) \$120 per week per child listed in 2(a) and (ii) \$60 per week per child listed in 2(b).

Name of child	Name of individual or organization	Address	Social insurance number	Amount of payment

Total payments – **Limitation A**

Limitation B – Enter the amount of your earned income (your total income from employment including tips and gratuities; net self-employed income excluding losses; training allowances; taxable portion of scholarships, bursaries, fellowships, and similar awards; and net research grants).

Earned income

2/3 of your earned income is **Limitation B**

Limitation C – \$4,000 x the number of eligible children listed in 2(a)

– \$2,000 x the number of eligible children listed in 2(b)

Total – **Limitation C**

Limitation D – This applies only if you tick box 1(c) under Part 1.

– \$120 x the number of eligible children listed in 2(a) (1)

– \$60 x the number of eligible children listed in 2(b) (2)

Add (1) and (2) (3)

Enter on line (4) the number of weeks that you indicated in 1(d) X (4)

Multiply the amount on (3) by the number of weeks shown on (4) **Limitation D**

Part 4 – Allowable deduction

On line 1, enter whichever is the least of Limitation A, B, C, and if applicable, Limitation D. (1)

On line 2, enter the amount deducted as child care expenses for 1991 by each supporting person, other than yourself, to whom Limitation D applies. (2)

Allowable claim: line 1 minus line 2. Enter this amount on line 214 of your return.
