1. **Basic personal amount** – Every person employed in the Yukon and every pensioner residing in the Yukon can enter a basic personal amount of $13,229. However, if your net income from all sources will be greater than $150,473 and you enter $13,229, you may have an amount owing on your income tax and benefit return at the end of the tax year. If your income from all sources will be greater than $150,473, you have the option to calculate a partial claim. To do so, fill in the appropriate section of Form TD1YT-WS, Worksheet for the Yukon 2020 Personal Tax Credits Return, and enter the calculated amount here.

2. **Family caregiver amount for infirm children under age 18** – Either parent (but not both), may claim $2,273 for each infirm child born in 2003 or later, that resides with both parents throughout the year. If the child does not reside with both parents throughout the year, the parent who is entitled to claim the “Amount for an eligible dependant” on line 8 may also claim the family caregiver amount for that same child who is under age 18.

3. **Age amount** – If you will be 65 or older on December 31, 2020, and your net income for the year from all sources will be $38,508 or less, enter $7,637. If your net income for the year will be between $38,508 and $89,422 and you want to calculate a partial claim, get Form TD1YT-WS, Worksheet for the Yukon 2020 Personal Tax Credits Return, and fill in the appropriate section.

4. **Pension income amount** – If you will receive regular pension payments from a pension plan or fund (excluding Canada Pension Plan, Quebec Pension Plan, Old Age Security, or Guaranteed Income Supplement payments), enter $2,000 or your estimated annual pension income, whichever is less.

5. **Tuition (full time and part time)** – If you are a student enrolled at a university or college, or an educational institution certified by Employment and Social Development Canada, and you will pay more than $100 per institution in tuition fees, complete this section. If you are enrolled full time or part time, enter the total of tuition fees you will pay.

6. **Disability amount** – If you will claim the disability amount on your income tax and benefit return by using Form T2201, Disability Tax Credit Certificate, enter $8,576.

7. **Spouse or common-law partner amount** – If you are supporting your spouse or common-law partner who lives with you and whose net income for the year will be less than Line 1 (Line 1 plus $2,273 if they are infirm) enter the difference between this amount and their estimated net income for the year. If their net income for the year will be Line 1 or more (Line 1 plus $2,273 or more if they are infirm), you cannot claim this amount. In all cases, if their net income for the year will be $24,361 or less and they are infirm, go to line 9.

8. **Amount for an eligible dependant** – If you do not have a spouse or common-law partner and you support a dependent relative who lives with you and whose net income for the year will be less than Line 1 (Line 1 plus $2,273 if they are infirm) enter the difference between this amount and their estimated net income. If their net income for the year will be Line 1 or more (Line 1 plus $2,273 or more if they are infirm), you cannot claim this amount. In all cases, if their net income for the year will be $24,361 or less and they are infirm and are age 18 or older, go to line 9.

9. **Yukon caregiver amount for the eligible dependant or spouse or common-law partner** – If, at any time in the year, you support an infirm eligible dependant (aged 18 or older) or an infirm spouse or common-law partner whose net income for the year will be $24,361 or less, get Form TD1YT-WS and fill in the appropriate section.

10. **Yukon caregiver amount for dependant(s) age 18 or older** – If at any time in the year, you support an infirm dependant age 18 or older (other than the spouse or common-law partner or eligible dependant you claimed an amount for on line 9, or could have claimed an amount for if their net income were under $15,502) whose net income for the year will be $17,085 or less, enter $7,276. If their income for the year will be between $17,085 and $24,361 and you want to calculate a partial claim, get Form TD1YT-WS and fill in the appropriate section. You can claim this amount for more than one infirm dependant age 18 or older. If you are sharing this amount with another caregiver who supports the same dependant, get Form TD1YT-WS and fill in the appropriate section.

11. **Amounts transferred from your spouse or common-law partner** – If your spouse or common-law partner will not use all of their age amount, pension income amount, tuition amount, or disability amount on their income tax and benefit return, enter the unused amount.

12. **Amounts transferred from a dependant** – If your dependant will not use all of their disability amount on their income tax and benefit return, enter the unused amount. If your or your spouse’s or common-law partner’s dependent child or grandchild will not use all of their tuition amount on their income tax and benefit return, enter the unused amount.

13. **TOTAL CLAIM AMOUNT** – Add lines 1 to 12.

Your employer or payer will use this amount to determine the amount of your territorial tax deductions.
Filling out Form TD1YT

Fill out this form only if you are an employee working in the Yukon or a pensioner residing in the Yukon and any of the following apply:

- you have a new employer or payer and you will receive salary, wages, commissions, pensions, employment insurance benefits, or any other remuneration
- you want to change amounts you previously claimed (for example, the number of your eligible dependants has changed)
- you want to increase the amount of tax deducted at source

Sign and date it, and give it to your employer or payer.

If you do not fill out this form, your tax deductions will only include the basic personal amount, estimated by your employer or payer based on the income they pay you.

More than one employer or payer at the same time

If you have more than one employer or payer at the same time and you have already claimed personal tax credit amounts on another Form TD1YT for 2020, you cannot claim them again. If your total income from all sources will be more than the personal tax credits you claimed on another Form TD1YT, check this box, enter “0” on line 13 and do not fill in lines 2 to 12.

Total income less than total claim amount

Check this box if your total income for the year from all employers and payers will be less than your total claim amount on line 13. Your employer or payer will not deduct tax from your earnings.

Additional tax to be deducted

If you wish to have more tax deducted, fill in "Additional tax to be deducted" on the federal Form TD1.

Reduction in tax deductions

You can ask to have less tax deducted on your income tax and benefit return if you are eligible for deductions or non-refundable tax credits that are not listed on this form (for example, periodic contributions to a registered retirement savings plan (RRSP), child care or employment expenses, charitable donations, and tuition and education amounts carried forward from the previous year). To make this request, fill out Form T1213, Request to Reduce Tax Deductions at Source, to get a letter of authority from your tax services office. Give the letter of authority to your employer or payer. You do not need a letter of authority if your employer deducts RRSP contributions from your salary.
