

- This certificate is used to certify eligibility for claiming tuition fees of a student attending a **university** outside Canada and to show the maximum amount a student can transfer to a designated individual. Students calculate their provincial or territorial education and textbook amounts (if applicable) based on the number of months indicated in Box B or C below.
- To qualify, a university course must last at least three consecutive weeks, and lead to a degree. Only **full-time attendance** qualifies for the **tuition amount**. These conditions however, do not apply to a deemed resident student. For more information on claiming **tuition fees**, see Guide P105, Students and Income Tax, and RC192, Information for Students – Educational Institutions Outside Canada, at [canada.ca/cra-forms](http://canada.ca/cra-forms). University administrators can refer to Information Sheet RC190, Information for Educational Institutions Outside Canada, on our website for details on completing this TL11A form.
