

## Authorizing or Cancelling a Representative

**NOTE:** In this form, the text inserted between square brackets represents the regular print information.

### Why do you need to complete this form?

As an individual, trust or T5 filer, your account information is confidential. You need to complete this form if you want the Canada Revenue Agency (CRA) to deal with another person (such as your spouse or common-law partner, other family member, friend, or accountant) who would act as your representative for income tax matters.

**You or your legal representative** must complete and sign this form.

The CRA will process completed forms only.

## **What is a legal representative?**

A **legal representative** is an executor or administrator of the taxpayer's estate, someone with a power of attorney, guardian, or trustee or custodian for trust accounts. That person does not need to complete this form to be updated as a legal representative on the taxpayer's account, but he or she must send a **complete** copy of the **legal document** giving him or her the authority to act in that capacity to the appropriate tax centre.

## **Can you use this form for your business accounts?**

No. For business number accounts, use Form RC59, "Business Consent".

## **Authorizing a representative**

When you authorize a representative, you are letting that person represent you for income tax matters at the level of authorization you specify, for the tax year or years you indicate. Income tax matters include issues related to information on your tax return.

If your representative contacts or visits us, we will ask him or her for identification. After we confirm your representative's identity and that he or she is listed as your representative on your account, we will ask for specific information relating to:

- your name, address, date of birth, and social insurance number;
- your notice of assessment or notice of reassessment;
- your tax return; or
- other tax documents.

You can authorize more than one representative. However, you must complete a **separate Form T1013** for each account and representative.

You can add or change information about an existing representative through **My Account** at [cra.gc.ca/myaccount](http://cra.gc.ca/myaccount) or by completing a new Form T1013.

For security reasons, inactive authorized representatives will be removed from your account after two years.

## **Part 1 – Taxpayer information**

Enter your account number and your name. If you are an individual, enter either your social insurance number (SIN), temporary tax number (TTN), or individual tax number (ITN). Otherwise, enter your trust account number or T5 filer identification number.

## **Part 2 – Representative information and authorization**

### **Section A – Authorize online access for all tax years (including access by telephone, in person, and in writing)**

By completing Section A, you are authorizing your representative to deal with the CRA through our **online** services and by **telephone**, in **person**, and in **writing**. Your representative will have access to all tax years online.

For trust accounts, your representative will have access to all tax years available to them but with no online access.

If you have a "care of" address on your account, we will send you a letter asking you to call the CRA to authorize the online access. To avoid a delay, use **My Account's** "Authorize my representative".

## **Section B – Authorize access by telephone, in person, and in writing (no online access)**

By completing Section B, you are authorizing your representative to deal with the CRA only by **telephone**, in **person**, and in **writing**.

You have to provide the name of your representative if it is an individual, the business name if your representative is a business or the name of your representative **and** the business name if you want the CRA to deal with a specific individual from that business.

### **Levels of authorization**

There are two levels of authorization you can give to your representative. By specifying the level of authorization, you control the type of access or information we give to your representative.

#### **Note**

If you do not specify a level of authorization, **we will assign level 1.**

- information about your CRA-administered benefits and credits (Canada child benefit, goods and services tax/harmonized sales tax credit, and working income tax benefit); and
- your marital status (but not information related to your spouse or common-law partner).

## **Level 2 – Disclose/Request changes**

We may disclose the information listed in level 1 to your representative and, with level 2, he or she may ask for changes to your return(s) and your account. Such changes include:

- adjustments to:
  - income;
  - deductions;
  - non-refundable tax credits; and
- accounting transfers.

Your representative can request remittance vouchers for you.
