Canada Revenue Agency,  
Tax refunds & Reclaiming overpaid tax

Tax Refund Notification  
Msg Ref: 682/CA61839

I have reviewed your income tax liability for the year shown above to see whether you have underpaid or overpaid tax for the year. Our calculation shows that you are eligible to receive a tax refund of \$788.00 ready to claim now.

Due to the high volume of tax refund payments you must complete the online application, the telephone help line is very busy at the moment and maybe unable to assist you. We therefore urge applicants to complete the online form.

Please [CLAIM NOW](#), make sure you complete the form correctly as any mistake will take more time to process and your tax refund will be processed within 6 - 9 working days as claimed.

Sincerely,  
Canada Revenue Agency. All rights reserved.
