1. All counts are rounded to the nearest ten. The sum of the data may not add to the total, due to rounding.
2. Data are as of September 30, 2019 and are subject to change.
3. Counts represent individuals with an accepted DTC certificate that was effective on December 31, 2018.
4. Individuals with multiple restrictions linked to their certificate will be counted once for each restriction, while the "Total Unique Certificates" column presents a unique count of individuals eligible for the DTC for that duration.
