

**Tableau 11**

**Pourcentage de personnes ayant un certificat pour le CIPH selon le groupe d'âge, la province/le territoire et la limitation en 2020**

Ce tableau présente le pourcentage de personnes ayant un certificat pour le CIPH accepté selon le groupe d'âge, la province/le territoire et la limitation. Les personnes ayant un certificat pour le CIPH sur lequel figure plus d'une limitation sont comptées une fois pour chaque limitation, tandis que la colonne « Total des certificats uniques » présente le pourcentage total de personnes uniques admissibles pour le groupe d'âge, et la province ou le territoire en question.

Groupe d'âge	Province/Territoire	Limitation										Total des certificats uniques
