

Table 1
Number of individuals with a DTC certificate by province/territory and restriction, 2022

This table presents the number of individuals with an accepted DTC certificate by province or territory of residence and restriction in one or more BADLs as reported by a medical practitioner to the CRA. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the “Total Unique Certificates” column presents a count of unique eligible individuals for that province or territory. As such, this column will not add up to the sum of the previous columns.

Notes:

1. All counts are rounded to the nearest ten. The sum of the data may not add to the total, due to rounding.
2. Data are as of September 21, 2023 and are subject to change.
3. Counts represent individuals with an accepted DTC certificate that was effective on December 31, 2022.
4. Unspecified represents individuals whose province or territory is unavailable.
5. Individuals with multiple restrictions linked to their certificate will be counted once for each restriction, while the “Total Unique Certificates” column presents a unique count of individuals eligible for the DTC for that province or territory. As such, this column will not add up to the sum of the previous columns.
