**Number of individuals with a DTC certificate by province/territory and restriction, 2023**

This table presents the number of individuals with an accepted DTC certificate by province or territory of residence and restriction in one or more BADLs as reported by a medical practitioner to the CRA. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the “Total Unique Certificates” column presents a count of unique eligible individuals for that province or territory. As such, this column will not add up to the sum of the previous columns.
