

Table 8
Number of individuals with a DTC certificate by province, age group, gender, and restriction, 2023

This table presents the number of individuals with an accepted DTC certificate broken down by province, age group, gender, and restriction. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the “Total Unique Certificates” column presents a count of unique eligible individuals for that province, age group, and gender.

Table 8
Number of individuals with a DTC certificate by province, age group, gender, and restriction, 2023

This table presents the number of individuals with an accepted DTC certificate broken down by province, age group, gender, and restriction. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the “Total Unique Certificates” column presents a count of unique eligible individuals for that province, age group, and gender.

Table 8
Number of individuals with a DTC certificate by province, age group, gender, and restriction, 2023

This table presents the number of individuals with an accepted DTC certificate broken down by province, age group, gender, and restriction. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the “Total Unique Certificates” column presents a count of unique eligible individuals for that province, age group, and gender.

Notes:

1. All counts are rounded to the nearest ten. The sum of the data may not add to the total, due to rounding.

2. Data are as of November 22, 2024 and are subject to change.

3. Counts represent individuals with an accepted DTC certificate that was effective on December 31, 2023.

4. Individuals with multiple restrictions linked to their certificate will be counted once for each restriction, while the “Total Unique Certificates” column presents a unique count of individuals eligible for the DTC for that duration. As such, this column will not add up to the sum of the previous columns.

5. The age of the individual is as of December 31, 2023.

6. Unknown refers to individuals whose gender is unavailable.

7. N/A refers to individuals whose age is unavailable.

8. A zero [0] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.

9. Unspecified represents individuals whose province or territory is unavailable.
