Notes:

1. All counts are rounded to the nearest ten. The sum of the data may not add to the total, due to rounding.
2. Data on the number of claimants are as of December 31 of the respective calendar year and are subject to change.
3. Data are from returns processed between January 1 and December 31 of the respective calendar year.
4. (Re)assessments processed during the calendar year that did not result in a change to the DTC amount utilized were not counted in these estimates.
5. Number of claimants benefitting through a tax reduction refers to the number of unique tax filers who claimed the DTC, either for themselves, their spouse or their dependant during the calendar year.
6. Net income ranges are derived using line 23600 from the claimant T1 tax forms.
7. Net income ranges are presented in current dollars and any comparisons over time should be made with caution.
8. A zero [0] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.
