

Table 7
Number of individuals with a DTC certificate by age group, Province/Territory and restriction, 2024

This table presents the number of individuals with an accepted DTC certificate broken down by age group, Province/Territory and restriction. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the "Total Unique Certificates" column presents a count of unique eligible individuals for that age group, and province or territory.

Table 7
Number of individuals with a DTC certificate by age group, Province/Territory and restriction, 2024

This table presents the number of individuals with an accepted DTC certificate broken down by age group, Province/Territory and restriction. Individuals who report multiple restrictions on their DTC certificate are counted for each restriction, while the "Total Unique Certificates" column presents a count of unique eligible individuals for that age group, and province or territory.

Notes:

1. All counts are rounded to the nearest ten. The sum of the data may not add to the total, due to rounding.
2. Data are as of November 27, 2025 and are subject to change.
3. Counts represent individuals with an accepted DTC certificate that was effective on December 31, 2024.
4. Individuals with multiple restrictions linked to their certificate will be counted once for each restriction, while the "Total Unique Certificates" column presents a unique count of individuals eligible for the DTC for that age group and province or territory. As such, this column will not add up to the sum of the previous columns.
5. The age of the individual is as of December 31, 2024.
6. A zero [0] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.
7. Unspecified represents individuals whose province or territory is unavailable.
