Notes:

1. Data are as of November 30, 2025 and are subject to change.
2. All counts are rounded to the nearest ten and Dollar amounts are rounded to the nearest thousand.
3. Totals may not add up due to rounding or suppression.
4. A zero (0) indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.
5. This table is the only one in this publication that presents data based on the province or territory of taxation rather than the the province or territory of residence. This table presents tax data by province or territory and also for returns from outside Canada.

**Notes:**

1. Data are as of November 30, 2025 and are subject to change.

2. All counts are rounded to the nearest ten and Dollar amounts are rounded to the nearest thousand.

3. Totals may not add up due to rounding or suppression.

4. A zero (0) indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeroes.

5. This table is the only one in this publication that presents data based on the province or territory of taxation rather than the the province or territory of residence. This table presents tax data by province or territory and also for returns from outside Canada.
