Notes

- Province is determined by the province of taxation as of December 31st of the tax year.
- Total Income (line 150 of the T1 Income Tax and Benefit Return).
- This information is based on the data that were available as of the December 31st, Tax Year + 1. For example the cut off date for tax year 2015 is December 31st 2016.
- Income data were taken from income tax returns and related schedules filed by individuals for the 2011-2015 tax years. Tax Filers used the following types of returns for the 2011-2015 tax years:
 - T1 Income Tax and Benefit Return.
 - T1135 Foreign Income Verification Statement.
- All data are based on the initial assessment.
- All data are subject to change due to new assessments.
- Linkage of the T1 data to the T1135 data is determined by a direct link of the individual's SIN, or if they indicated 'YES' on line 266 of the T1 Income Tax and Benefit Return.
 - Line 266 states "Did you own or hold specified foreign property where the total cost amount of all such property, at any time in [tax year] was more than CAN\$100,000?"
 - This line is available for tax years 2012 and onward, therefore it was not used in the consideration of the T1125 linkage for tax year 2011
- A dash [-] indicates that the information has been suppressed for confidentiality. Suppressed information also includes valid zeros.
- Counts are rounded to the nearest ten.
- Amounts are rounded and in thousands of dollars.

Notes

- Province is determined by the province of taxation as of December 31st of the tax year.
- Total Income (line 150 of the T1 Income Tax and Benefit Return).
- This information is based on the data that were available as of the December 31st, Tax Year + 1. For example the cut off date for tax year 2015 is December 31st 2016.
- Income data were taken from income tax returns and related schedules filed by individuals for the 2011-2015 tax years. Tax Filers used the following types of returns for the 2011-2015 tax years:
 - T1 Income Tax and Benefit Return.
 - T1135 Foreign Income Verification Statement.
- All data are based on the initial assessment.
- All data are subject to change due to new assessments.
- Linkage of the T1 data to the T1135 data is determined by a direct link of the individual's SIN, or if they indicated 'YES' on line 266 of the T1 Income Tax and Benefit Return.
 - Line 266 states "Did you own or hold specified foreign property where the total cost amount of all such property, at any time in [tax year] was more than CAN\$100,000?"
 - This line is available for tax years 2012 and onward, therefore it was not used in the consideration of the T1125 linkage for tax year 2011
- A dash [-] indicates that the information has been suppressed for confidentiality. Suppressed information also includes valid zeros.
- Counts are rounded to the nearest ten.
- Amounts are rounded and in thousands of dollars.
