Notes:

1. Data are from Canada Revenue Agency source systems as of January 2, 2022 11:59:59PM.
2. Numbers undergo a statistical review to ensure they represent the population of applicants. Numbers are also subject to change as claims are received, reviewed, and adjusted.
3. All counts are rounded to the nearest ten. All amounts are rounded to the nearest thousand.
4. The sum of the data may not add to the total due to rounding.
5. Province/Territory is determined by the business address of the applicant, and may not fully reflect where the economic activity took place in Canada.
6. 'Missing' indicates that Province/Territory is not available or the business address of the applicant is outside of Canada.
7. Total Canada Emergency Rent Subsidy (Line 320) is the sum of Line 300 (Canada Emergency Rent Subsidy) and Line 310 (Lockdown Support).
8. As applicants may submit a separate CERS claim for each period, the total number of properties for all periods can result in double counting if summing all periods together. As a result, the overall total for the number of properties is not displayed.
9. A hyphen [-] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeros.
