Table 3: Approved Canada Emergency Wage Subsidy (CEWS) Claims by Size of Applicant

Notes:

1. In order to better represent the size of the applicant, size is determined by the number of T4 slips issued for tax year (TY) 2020 by the payroll number of the CEWS applicant, and not the number of employees that benefit from the program. As information for TY2020 is not yet complete, TY2019 and TY2018 T4 slips were used to complement TY2020 data. As size is based on information from prior tax years, it may not reflect the current size of the applicant. T4 slips for TY2020 were incorporated into the statistics effective September 12, 2021. Consequently, the distribution of recipients by size may have shifted from previous data releases as the statistics using T4 slips for TY2020 depict a more recent representation of the applicants size.
