Notes:

1. Data are as of October 10, 2021 and are subject to change as more applications are received.
2. Number of applications and applicant province of residence are obtained from the Canada Recovery Benefit (CRB) file.
3. Figures are stated for applicants who applied for the CRB through Canada Revenue Agency's (CRA's) My Account portal and the Interactive Voice Response system. These figures also include manual applications.
4. Applicants whose residence is outside of Canada are grouped in the category 'Outside Canada.' Applicants must reside and be present in Canada during the period(s) for which they are applying.
5. Applicants who do not have a valid province of residence registered within CRA systems are grouped in the category 'Missing.'
6. The gross amount is the total before taxes are withheld. The CRA withholds a 10% tax at source for each CRB payment issued.
7. The gross amount has been reduced from \$1,000 to \$600 for applicants who exceed 21 payments, or whose first time applying for CRB is for period 22 or later.
8. All counts are rounded to the nearest ten and all amounts are rounded and in thousands of dollars. The sum of the data may not add to the total, due to rounding and/or suppression.
9. A hyphen [-] indicates that the information has been suppressed for confidentiality purposes. Suppressed information also includes valid zeros.
