Notes:

1. Data are as of July 10, 2022 and are subject to change as applications are reviewed and adjusted.
2. Number of applications and applicant province of residence are obtained from the Canada Recovery Caregiving Benefit (CRCB) file.
3. Figures are stated for applicants who applied for the CRCB through Canada Revenue Agency's (CRA's) My Account portal and the Interactive Voice Response system. These figures also include manual applications.
4. Applicants whose residence is outside of Canada are grouped in the category 'Outside Canada.' Applicants must have resided and been present in Canada during the period(s) for which they applied.
5. Applicants who do not have a valid province of residence registered within CRA systems are grouped in the category 'Missing.'
6. The gross amount is the total before taxes are withheld. The CRA withheld a 10% tax at source for each CRCB payment issued.
7. All counts are rounded to the nearest ten and all amounts are rounded and in thousands of dollars. The sum of the data may not add to the total, due to rounding and/or suppression.
