

SEE A DRONE? LET US KNOW!

NO DRONE ZONE

Help us stop contraband and unauthorized items from entering Correctional Service Canada's (CSC) institutions. Contraband, such as illicit drugs, weapons, and cellphones, poses a significant threat to our institution's security and people's safety.

With an increase in drone activity near our institutions, we are asking for your help. Please report:

- **Drones flying in the area**
 - **TIP! A drone flying in the air sounds like a swarm of bees buzzing overhead**
- **Suspicious vehicles or persons nearby**
- **Crashed drones**
- **Suspicious packages on the ground**

CSC's toll-free number, 1-866-780-3784, helps ensure that the information reported is protected and that callers remain anonymous.

If you suspect a criminal act is in progress, **call police immediately.**

**In partnership with
your local police agency**
