Department >
Client number >

As per the Policy on Government Security, please be advised of the security clearance of the following individual:

Family name		Given name(s)	
D.O.B. (Y/M/D)	Our File No.	CSIS file no.	

<input type="radio"/> Level I	<input type="radio"/> Level II	<input type="radio"/> Level III	<input type="checkbox"/> Site Access
<input type="checkbox"/> Granted	<input type="checkbox"/> Revoked	<input type="checkbox"/> Denied	

EFFECTIVE DATE (Y/M/D)	>	
-------------------------------	---	--

Reasons and comments (include attachments if applicable)

The final decision as to whether to grant a Security Clearance rests with the Department. Your Department must conduct its own internal investigation to determine if a revocation of reliability status is warranted. Please ensure that form 4195 is filled out upon reaching your decision and return to CSIS. Should you wish to discuss this case further with us, please contact Security Screening Branch to schedule meeting.
