

## JCR Nomination Form for the Lord Strathcona Medal

This medal is intended to recognize a JCR or cadet who has consistently demonstrated outstanding performance and dedication during their time in the program, and who is a positive example to others.

It particularly emphasizes performance in the areas the Lord Strathcona Trust Fund's charter calls *military drills, military training, rifle shooting, physical training and patriotism*. In today's youth programs, these translate to drill, Canadian Armed Forces Familiarization (Ranger Skills), marksmanship, physical activity and citizenship.

As well, the medal should go to a young person whose contributions to their patrol have improved the experience for other JCRs, and who will therefore leave a positive and lasting legacy in the program.

Every Patrol may award one Lord Strathcona Medal per year. Each JCR can only receive this medal once. The CRPG CO is the awarding authority for this medal.

This JCR meets the following criteria (please check any that apply):

- ☐ Shows dedication and dependability by regularly participating in training and activities
- ☐ Has been an active member of the program for at least three years
- ☐ Consistently sets the example for others in behaviour and attitude
- ☐ Has made a significant contribution to the patrol by:
