

JCR Nomination Form for the ANAVETS JCR Medal of Merit

The Army, Navy and Air Force Veterans in Canada (ANAVETS), as a legacy to its desire to promote excellence and awareness of the Canadian Cadet Organization, has established the Army, Navy and Air Force Veterans in Canada Junior Canadian Ranger Medal of Merit (ANAVETS JCR Medal of Merit).

A total of five medals will be awarded annually (one per CRPG) to acknowledge the top JCR attending the National Leader Enhanced Training Session (NLETS).

The decoration consists of a pewter-coloured medallion with ribbon. At the centre of the medallion is the centre portion of the ANAVETS insignia. Circling the insignia is written "Army Navy & Air Force Veterans in Canada" on one face and the French equivalent on the other face. Along the edge, there is a striped border of red, white and blue. The ribbon, 3.5 cm wide, is blue with two sets of thin vertical stripes of red and white. A metal bar at the top of the ribbon reads JCR and a second metal bar at the bottom of the ribbon, to which the medallion is joined, reads MERITUM.
