

# MILITARY SPOUSE EMPLOYMENT INITIATIVE

“I’m very grateful for the job, and I definitely wouldn’t have it if it wasn’t for the Military Spouse Employment Initiative.” *Justine Walker*

“Having this full-time job means that I never again have to worry about finding a job. When we get posted again, I’ll have options for transferring my job, finding a new job, or putting my job on hold while on a temporary posting. My employer is across Canada, and there are many opportunities to grow within the DND community. I feel extremely secure in my career, and I’m proud to be making my own pension and career for myself.” *Justine Walker*

**Military Spouse Employment Initiative** aims to provide military spouses and common law partners opportunities to develop their skills and pursue their careers within the Federal Public Service. Stand behind Canada by supporting military families: hire a skilled military spouse for your team.
