

CFIRP 2009 - Clarification Bulletin 2010-1

Clarification of Basic Connection

Releasing Authority: Director of Compensation and Benefits - Administration- 26 Apr 10

Reference: CFIRP 2009

The following clarification is provided to the CFIRP 2009 Policy Article 1.4	
Background	In order to clarify what constitutes “basic installation” per article 9.4.02, the following definition is added to the CFIRP policy directive in section 1.4.
Clarification	Insert new definition: Minimum service required to connect an appliance to existing gas, electrical and/or plumbing fixtures for use. Basic installation explicitly <i>does not</i> include installation (parts and/or labour) of new lines or fixtures required for the connection. <i>Raccordement de base</i>
