

Survivor Support Consultations SUMMARY REPORT

(pursuant to the CAF/DND Sexual Misconduct Class Action Settlement)

3 Guiding Principles

1 Cultural humility

2 Trauma-informed

3 Survivor-centred

Five Key Themes & Ten Goals

1. Engagement, partnerships & research

- i. Elevate engagement, collaboration & partnerships
- ii. Address data-related issues and continue to build the evidence base

2. Support, especially to address service gaps

- iii. Create a well-coordinated, seamless, and accessible model of support
- iv. Customize approaches to address the needs of specific groups of survivors
- v. Reduce stigma and break isolation at all levels
- vi. Modernize reporting options

3. Training

- vii. Enhance support provider capacity & competency
- viii. Form leaders with relational skills

4. Communication & information

- ix. Improve the quality and accessibility of information

5. Accountability

- x. Embed governance structures, accountability & commitment
