

## Notice of Proposed Export

## Part 1: General Information

<b>Exporter</b>		<i>For ECCC use only</i>
Name of exporter: _____		
Name of duly authorized representative: _____		
Address: _____ _____		
Telephone number: _____ Fax number: _____ Email address: _____		

## Part 2: Export Notification

Name of the substance as it appears on the Export Control List	Country of destination	Expected date of export (DD/MM/YY)	Estimated quantity of the substance to be exported (kg)
<b>Purpose of Export</b> <input type="checkbox"/> Destruction <input type="checkbox"/> Industrial Chemical use <input type="checkbox"/> Pesticidal use <input type="checkbox"/> Other use (specify): _____			
<b>Purpose of Export</b> <input type="checkbox"/> Destruction <input type="checkbox"/> Industrial Chemical use <input type="checkbox"/> Pesticidal use <input type="checkbox"/> Other use (specify): _____			
<b>Purpose of Export</b> <input type="checkbox"/> Destruction <input type="checkbox"/> Industrial Chemical use <input type="checkbox"/> Pesticidal use <input type="checkbox"/> Other use (specify): _____			
<b>Purpose of Export</b> <input type="checkbox"/> Destruction <input type="checkbox"/> Industrial Chemical use <input type="checkbox"/> Pesticidal use <input type="checkbox"/> Other use (specify): _____			

Are any of the above substances exported as "hazardous waste" or "hazardous recyclable material" under the *Cross-border Movement of Hazardous Waste and Hazardous Recyclable Material Regulations*?  Yes  No

If yes, please indicate which substance(s): \_\_\_\_\_

**Part 3: Exports subject to the Stockholm Convention for substances listed on Part 2 or Part 3 of the Export Control List:**

For all substances notified in Part 2 of this form which are found on Part 2 or Part 3 of the Export Control List and listed in Annex A or B of the Stockholm Convention and in force for Canada, please complete the following:

Name of Substance: \_\_\_\_\_

a. Specific exemption or acceptable purpose applicable to the substance being exported (if applicable): \_\_\_\_\_

b. Is the substance being exported for environmentally sound disposal in accordance with paragraph 1(d) of Article 6 of the Stockholm Convention?  Yes  No  
If yes, please indicate:  
Facility name and civic address: \_\_\_\_\_  
Method of disposal: \_\_\_\_\_

c. Is the substance being exported for use:  
In a laboratory for analysis?  Yes  No  
In scientific research?  Yes  No  
As a laboratory analytical standard?  Yes  No

d. Is the substance being exported contained in a product?  Yes  No  
If yes,  
i. Is the substance incidentally present in trace amounts?  Yes  No  
ii. Was the product containing the substance manufactured on or before the coming into force for Canada of a provision of the Stockholm Convention prohibiting, under Annex A, or restricting under Annex B, the production or use of that substance?  Yes  No  
If yes, indicate the date of manufacture of the product: \_\_\_\_\_

(Repeat Part 3 for each substance notified in Part 2 of this form that is listed on Annex A or B of the Stockholm Convention and on Part 2 or Part 3 of the Export Control List)

**Part 4: Exports of asbestos listed on the Export Control List**

**For all forms of asbestos notified in Part 2 of this form and listed on the Export Control List, please complete the following:**

Name of Substance: \_\_\_\_\_

Is the substance being exported:

- i. contained in a product that is a personal household effect intended for your personal use?  Yes  No
- ii. contained in a military equipment?  Yes  No
- iii. for disposal of the substance or of the product that contains it?  
If yes, please indicate the facility name and civic address:  
\_\_\_\_\_  
\_\_\_\_\_

Method of disposal: \_\_\_\_\_

- iv. contained in a product that was used before December 30, 2018?  Yes  No
- v. contained in a product that is exported in order to service military equipment, while that equipment is outside Canada for the purposes of a military operation and there is no technically or economically feasible asbestos-free alternative available?  Yes  No
- vi. contained in a product in not greater than trace amounts?  Yes  No
- vii. contained in a raw material that is extracted from the ground and this is exported:
  - a. to manufacture a consumer product that contains asbestos in not greater than trace amounts  Yes  No
  - b. to manufacture a product that is not a consumer product?  Yes  No
  - c. for a purpose other than manufacturing a product, if the material will not be sold as a consumer product?  Yes  NoIf yes, please indicate the purpose of the export (if known):  
\_\_\_\_\_  
\_\_\_\_\_
- viii. for use in a laboratory analysis, in scientific research or as an analytical standard?  Yes  No
- ix. for display in a museum?  Yes  No

*(Repeat Part 4 for each form of asbestos notified in Part 2 of this form)*

***Attach supplementary sheets as necessary***

Send the notice by email, facsimile or by mail to:

Export Controls Program
