Department of the Environment

Canadian Environmental Protection Act, 1999

Notice is hereby given that, pursuant to section 129(3) of the Canadian Environmental Protection Act, 1999 (CEPA), the conditions of disposal at sea permit no. 4543-2-02899 are varied and approved as follows. The varied conditions are published on the Canadian Environmental Protection Act Registry on Tuesday, July 3, 2018.

3. Duration of permit: Permit is valid from July 10, 2018, to July 9, 2019.

Margaret Fairbairn
Acting Regional Director
Environmental Protection Operations Directorate
Prairie and Northern Region

On behalf of the Minister of Environment and Climate Change

Signed on June 26, 2018
