Canadian Environmental Protection Act, 1999

Notice is hereby given that, pursuant to section 127 of the *Canadian Environmental Protection Act, 1999*, Disposal at Sea Permit No. 4543-2-03560 authorizing the loading for disposal and the disposal of waste or other matter at sea is amended as follows.

15.1. The Permittee shall submit a written excavated material disposal plan to the Minister, as represented by the Regional Director of the Environmental Protection Operations Directorate, identified in 14.2, for approval by the Department of the Environment prior to the commencement of the first excavation operation authorized by this permit. The plan shall address procedures to accurately measure or estimate quantities of excavated material disposed of at the disposal site(s), vessel tracking, and a schedule for use of the disposal site(s). Modifications to the plan shall be made only with the written approval of the Department of the Environment.
