

## Department of the Environment

### *Canadian Environmental Protection Act, 1999*

Notice is hereby given that, pursuant to section 127 of the *Canadian Environmental Protection Act, 1999* (CEPA), disposal at sea permit No. 4543-2-03711 authorizing the loading for disposal and the disposal of waste or other matter at sea is approved. The permit is published on the Canadian Environmental Protection Act Registry on Tuesday, February 12, 2019.

1. Permittee: Coastland Wood Industries Ltd., Nanaimo, British Columbia.

2. Waste or other matter to be disposed of: dredged material.

2.1. Nature of waste or other matter: dredged material consisting of gravel, sand, silt, clay, wood waste, or material typical to the approved loading site, except logs and usable wood. The permittee shall ensure that:

- a. log bundling strand from waste or other matter approved for loading and disposal at sea is removed prior to disposal at sea.
- b. the percent volume of wood waste in the dredge material is visually estimated at the time of dredging and shall be included in the written report mentioned in paragraph 13.2.

3. Duration of permit: permit is valid from March 13, 2019, to March 12, 2020.

4. Loading site(s): Coastland Wood Industries Ltd., Nanaimo, British Columbia, bounded by: 49.14651° N, 123.92746° W; 49.14448° N, 123.92601° W; 49.14468° N, 123.92541° W; 49.14566° N, 123.92550° W; 49.14605° N, 123.92406° W; 49.14690° N, 123.92402° W; 49.14752° N, 123.92453° W; 49.14711° N, 123.92677° W; 49.14647° N, 123.92633° W; 49.14636° N, 123.92675° W; 49.14664° N, 123.92701° W North American Datum of 1983 (NAD83), as submitted in support of the permit application.

5. Disposal site(s): Five Finger Island Disposal Site, within a 0.5-nautical-mile radius of 49.25333° N, 123.91166° W (NAD83).

6. Method of loading: loading will be carried out using a crane equipped with a clamshell dredge and a hydraulic shovel.

7. Route to disposal site(s) and method of transport: most direct navigational route from the loading site to the disposal site via towed scow.

8. Method of disposal: disposal will be carried out by end dumping and hydraulic shovel.

9. Total quantity to be disposed of: not to exceed 30 000 cubic metres, place measure.

10. Fees: the fee prescribed by the *Disposal at Sea Permit Fee Regulations* shall be paid by the permittee in accordance with those regulations.

11. Inspection:

11.1. By accepting this permit, the permittee and its contractors accept that they are subject to inspection pursuant to Part 10 of CEPA.

11.2. The permittee shall ensure that records of all loading and disposal activities are kept on site for the duration of the permit and are available for inspection by any enforcement officer or analyst, for 2 years following the expiry of the permit.

11.3. Ships operating under the authority of this permit shall carry and display a radar-reflecting device at all times mounted on the highest practical location.

12. Contractors:

12.1. The loading or disposal at sea referred to under this permit shall not be carried out by any person without written authorization from the permittee.

12.2. The permittee shall ensure that all persons involved in the loading, transport or disposal activities authorized by this permit conduct these activities in accordance with the relevant permit conditions.

13. Reporting and notification:

13.1. The permittee shall provide the following information at least 48 hours before loading and disposal activities commence: name or number of ship, platform or structure used to carry out the loading and/or disposal, name of the contractor including corporate and on-site contact information, and expected period of loading and disposal activities. The above-noted information shall be submitted to the Environmental Enforcement Division of the Department of the Environment, Pacific and Yukon Region, 604-666-6800 (fax) or [ec.immersionenmerrpy-disposalatseapyr.ec@canada.ca](mailto:ec.immersionenmerrpy-disposalatseapyr.ec@canada.ca) (email).

13.2. The permittee shall submit a written report to the Minister, as represented by the Regional Director of the Environmental Protection Operations Directorate, within 30 days after the expiry of the permit. This report shall contain the following information: a list of all work completed pursuant to the permit, including the location of the loading and disposal sites used, the quantity of matter disposed of at the disposal site(s), the dates on which disposal activities occurred and the estimated percentage of volume of wood waste in the dredge material.

The report shall be sent to the Regional Director at any of the following coordinates:

Regional Director  
c/o Tiffany Paul  
Environmental Protection Operations Directorate  
Pacific and Yukon Region  
201 - 401 Burrard St  
Vancouver BC V6C 3S5  
Fax: 604-666-6800  
Email: [ec.immersionenmerry-disposalatseapyr.ec@canada.ca](mailto:ec.immersionenmerry-disposalatseapyr.ec@canada.ca)

13.3. At all times, a copy of this permit and of documents and drawings referenced in this permit shall be available at the loading site and on all powered ships directly engaged in the loading and disposal operations.

14. Special precautions:

14.1. The permittee shall submit a written dredged material disposal plan to the Minister, as represented by the Regional Director of the Environmental Protection Operations Directorate, Pacific and Yukon Region, identified in paragraph 13.2, for approval by the Department of the Environment prior to the commencement of the first dredging operation authorized by this permit. The plan shall address procedures to accurately measure or estimate quantities of dredged material disposed of at the disposal site(s), vessel tracking, and a schedule for use of the disposal site(s). Modifications to the plan shall be made only with the written approval of the Department of the Environment.

14.2. The loading and disposal at sea referred to under this permit shall be carried out in accordance with the mitigation measures summarized in the document titled "Environmental Protection Plan –Maintenance Dredging at Coastland Wood Industries Ltd. in Nanaimo, BC – Disposal at Sea Permit No. 4543-2-03711" (January 2019).

Saul Schneider  
Regional Director  
Environmental Protection Operations Directorate  
Pacific and Yukon Region

On behalf of the Minister of Environment and Climate Change

Signed on: January 30, 2019
