

Department of the Environment

Canadian Environmental Protection Act, 1999

Notice is hereby given that, pursuant to section 129(3) of the *Canadian Environmental Protection Act, 1999* (CEPA), the conditions of disposal at sea Permit No. 4543-2-03716 are varied and approved as follows. The varied conditions are published on the *Canadian Environmental Protection Act* Registry on Tuesday, July 2, 2019.

3. Duration of permit: permit is valid from June 26, 2019, to June 15, 2020.

Saul Schneider
Regional Director
Environmental Protection Operations Directorate
Pacific and Yukon Region

On behalf of the Minister of Environment and Climate Change

Signed on June 20, 2019
