Climate Change Canada

Environnement et  
Changement climatique Canada

**Department of the Environment**

*Canadian Environmental Protection Act, 1999*

Notice is hereby given that, pursuant to section 129(3) of the *Canadian Environmental Protection Act, 1999* (CEPA), the conditions of disposal at sea permit No. 4543-2-06991 are varied and approved as follows. The varied conditions are published on the Canadian Environmental Protection Act Registry on Tuesday, March 12, 2019.

3. Duration of permit: permit is valid from October 30, 2018, to March 19, 2019.

Jeffrey L. Corkum  
Regional Director  
Environmental Protection Operations Directorate  
Atlantic Region

On behalf of the Minister of Environment and Climate Change

Signed on March 6, 2019
