

**Department of the Environment**

*Canadian Environmental Protection Act, 1999*

Notice is hereby given that, pursuant to section 129(3) of the *Canadian Environmental Protection Act, 1999* (CEPA), the conditions of disposal at sea permit no. ATL-00062-1 are varied and approved as follows. The varied conditions are published on the Canadian Environmental Protection Act Registry on Tuesday, November 26, 2019.

3. Duration of Permit: permit is valid from August 15, 2019, to December 31, 2019.

Jeffrey L. Corkum  
Regional Director  
Environmental Protection Operations Directorate  
Atlantic Region

On behalf of the Minister of Environment and Climate Change

Signed on November 20, 2019
