*If you import PERC and sell it for solvent degreasing, you can use an optional combined reporting form for both regulations. For a copy of the form, please contact the Products Division at produits-products@ec.gc.ca. Where the combined reporting form is used, it is to be submitted to the Minister no later than January 30th in order to meet the regulatory timelines for both the *Solvent Degreasing Regulations* and the *Tetrachloroethylene (Use in Dry Cleaning and Reporting Requirements) Regulations*. Otherwise, two separate forms are to be used to comply with each Regulations according to the relevant timelines in each Regulation.
