Request for confidentiality

Indicate if you are requesting confidentiality under Section 313 of the Canadian Environmental Protection Act, 1999 (CEPA 1999).

Pursuant to section 313 of the *Canadian Environmental Protection Act, 1999*, any person who provides information in this form may submit, with the information, a written request that it be treated as confidential. A request for confidentiality may be submitted for all or part of the information provided. When requesting confidentiality, specify the parts (e.g. sections, tables) of the information to be treated as confidential. A request should only be made for information that is truly confidential.

When submitting a request for confidentiality, the following criteria should be considered:

- the information is confidential to your company and has consistently been treated as such by your company;
- your company has taken, and intends to continue to take, measures that are reasonable in the circumstances to maintain the confidentiality of the information;
- the information is not, and has not been, reasonably obtainable by third persons by use of legitimate means, except with the consent of your company;
- the information is not available to the public;
- disclosure of the information may reasonably be expected to cause substantial harm to the competitive position of your company; or
- disclosure of the information may reasonably be expected to result in a material financial loss to your company or a material financial gain to your company's competitors.

Upon receipt of a request for confidentiality under section 313 of the Act, in relation to information submitted, the Minister of the Environment shall not disclose that information, except in accordance with the law.

I do not request that the information I am submitting be treated as confidential, and I consent to it being released without restriction.

Pursuant to section 313 of the CEPA 1999, I request that the following parts of the information that I am submitting be treated as confidential.

- **Specify the parts [such as sections or tables] of the information that you request be treated as confidential (mandatory):**

- **Include the reason for your request (mandatory):**
