Prohibition of Certain Toxic Substances Regulations, 2012
Subsections 3(2) and 3(3) & Schedule 3

Information related to the use of certain toxic substances in a laboratory for analysis, in scientific research or as a laboratory analytical standard

Instructions

[Formulaire également disponible en français](#)

- If you plan on using **more than 10 g** of any toxic substance subject to the Regulations (by itself or in a product) in a calendar year, you must submit a report as soon as feasible beforehand.
- Prepare a separate report for **each toxic substance** and provide **information per calendar year (January 1st to December 31st)**.
- Return the completed report(s) to interdiction-prohibition@ec.gc.ca or by mail to the address below.
- For further information, consult the [information for laboratories using certain toxic substances](#) factsheet.

Section 1: information respecting the laboratory

Information about the laboratory where a toxic substance (or a product containing it) is used or to be used:

Laboratory name:	Contact name:		
Civic address:	Title:		
	Telephone:	Ext:	Fax (if any):
Postal address :	Email (if any):		

Prepared and submitted by (if different from above):

Company name (optional):	Name of the person authorized to act on behalf of the laboratory:		
Civic address:	Title of the authorized person:		
	Telephone:	Ext:	Fax (if any):
Postal address :	Email (if any):		

Section 2: information respecting a toxic substance set out in Schedule 1 or 2, and each product containing it that is used or to be used

Calendar year :

Name of the toxic substance (as listed in the Regulations) :

In the case of a **toxic substance**, complete columns A, B and F.
 In the case of a **product containing a toxic substance**, complete all columns (A to F).

A	B		C	D		E		F
Anticipated period of use within the calendar year	Estimated quantity of the toxic substance to be used in the calendar year (and unit of measurement)		Name of product containing the substance	If contained in a product:				Identification of each proposed or each actual use, as the case may be <i>(use the text box below this table to describe your use in further detail)</i>
		Unit		Estimated quantity of the product to be used in the calendar year (and unit of measurement)		Estimated concentration of the toxic substance in the product (and unit of measurement)		
								<input type="checkbox"/> In a laboratory for analysis <input type="checkbox"/> In scientific research <input type="checkbox"/> As an analytical standard
								<input type="checkbox"/> In a laboratory for analysis <input type="checkbox"/> In scientific research <input type="checkbox"/> As an analytical standard
								<input type="checkbox"/> In a laboratory for analysis <input type="checkbox"/> In scientific research <input type="checkbox"/> As an analytical standard
								<input type="checkbox"/> In a laboratory for analysis <input type="checkbox"/> In scientific research <input type="checkbox"/> As an analytical standard

Provide a brief description of your use (e.g., for synthesis, as a solvent, as a reagent, for an assay)

Section 3: request for confidentiality

Indicate if you are requesting confidentiality under Section 313 of the *Canadian Environmental Protection Act, 1999* (CEPA).

<input type="checkbox"/>	Pursuant to section 313 of CEPA, I request that the following parts of the information I am submitting be treated as confidential. Please specify the parts [e.g., sections, tables] and include the reason for your request.
<input type="checkbox"/>	I do not request confidentiality for the information I am submitting and I consent to its release without restriction.

Section 4: certification

I certify that this information is accurate and complete.

Date

Place of signing

Signature of the person authorized
to submit this report

Return your completed report by email to interdiction-prohibition@ec.gc.ca or by mail to:

Chemicals Management Division
Environment and Climate Change Canada
351 Saint-Joseph Blvd 10th floor
Gatineau QC, K1A 0H3

Disclaimer

This form is provided for information purposes only and may not include all legal requirements. If there is any inconsistency or conflict between the information contained in this document and the [Canadian Environmental Protection Act, 1999](#) (CEPA) and/or the *Prohibition of Certain Toxic Substances Regulations, 2012*, the official versions of the Act and Regulations take precedence. The official version of the Regulations can be found at <https://laws-lois.justice.gc.ca/eng/regulations/SOR-2012-285/>.

Privacy notice statement

Personal information on this form is being collected under the authority of the provisions of subsection 93(1) of the *Canadian Environmental Protection Act (1999)* in accordance with Environment and Climate Change Canada's (ECCC) [Management of Toxic Substances \(EC PPU 331\)](#) Personal Information Bank.
