- not have access to dental insurance
- be a Canadian resident for tax purposes
- have an adjusted family net income of less than $90,000

The Canadian Dental Care Plan (CDCP) will help make the cost of dental care more affordable for up to

eligible Canadian residents.

Oral health care is important to your overall health and well being. Regular visits reduce the risk of health problems.

In 2022, 1 in 4 Canadians reported avoiding visiting an oral health professional due to the cost. Every Canadian deserves accessible, affordable and essential dental care.
