***Re: Law Society of Upper Canada Submissions***

The Law Society of Upper Canada is pleased to provide the attached submissions. We look forward to the results of Market Study and would welcome further dialogue with you. In that regard, we would be interested in meeting with you at an early opportunity. Would you please advise me whether that might be possible, and how it might best be arranged?

Yours truly,

Robert G.W. Lapper, Q.C.  
Chief Executive Officer
