**Re: Federal Levies Orders Amendments – Changes to Provincial/Territorial Levy Amounts**

Dear Carole:

We are requesting FPCC initiate the review process by FPCC's Levy Committee in order to obtain FPCC's prior approval for amendments to the Canadian Egg Marketing Agency's Levies Order. This request is in accordance with EFC's process to amend the Federal Levies Order upon notification of changes to provincial/territorial levy amounts. The provincial levy amount is being increased to adjust the budget of the provincial commodity board.

Drafting instructions reflecting amendments coming into force upon registration will be provided to FPCC at the same time as the Department of Justice (DOJ). Official stamped copies of the Levies Order amending package will be forwarded to your office in accordance with DOJ's timeline to examine regulatory amendments.

**Amendments to the Levies Order**

The following table summarizes the amendments to the Levies Order.

Province/Territory	Total Levy Cents/ dozen
Alberta	59.05

Best regards,

Chris Stevenson, CPA, CA  
Interim CFO
