Objet: Modifications proposées au *Règlement canadien sur le contingentement de la commercialisation du dindon (1990)*

Cher Monsieur Ference,

Lors de sa réunion du 14 janvier 2026, le Conseil des produits agricoles du Canada (le Conseil) a examiné les modifications proposées au *Règlement canadien sur le contingentement de la commercialisation du dindon (1990)* tel que demandé dans la requête datée du 10 décembre 2025, pour la période réglementaire 2025-26, qui commence le 27 avril 2025 et se termine le 25 avril 2026.

Après un examen approfondi de la justification fournie par les Éleveurs de dindon du Canada et suite à une analyse interne, les membres du Conseil ont convenu que les modifications étaient nécessaires à la mise en œuvre du plan de commercialisation énoncé dans la *Proclamation visant l'Office canadien de commercialisation des dindons*. Par conséquent, les modifications ont été approuvées et entreront en vigueur à la date de leur enregistrement.

Pour toute question, n'hésitez pas à communiquer avec moi ou avec Lisa Melanson-Daigle, secrétaire du Conseil, par courriel à l'adresse fpcc.secretariat.cpac@fpcc-cpac.gc.ca.

Sincères salutations,

Dear Mr. Douglas:

Re: **Canadian Turkey Quota Regulations 2025/2026**

Please find enclosed a submission from the Turkey Farmers of Canada (TFC) revising the 2025/2026 Quota Regulation. We request that this be given consideration and prior approval by the Farm Products Council of Canada at its earliest convenience.

The proposed allocation is due to a request by the Province of Ontario for an increase to its conditional allocation under Section 2 of the Export Policy that was approved at the TFC 284th Meeting of December 3-4, 2025. The rationale for the proposed allocation amendment, reflecting the decisions of the TFC Directors, is set out in the submission and appendices.

Should your staff have any questions on this submission, please do not hesitate to have them contact our office.

We look forward to the Council's consideration and prior approval of this amendment.

Sincerely,

Adam Power

Submission to: Farm Products Council of Canada
Regarding: Amendment to the Schedule to the Canadian Turkey Marketing Quota Regulation (1990) for 2025/2026

Date: December 10, 2025

This amendment to the 2025/2026 Schedule to the Canadian Turkey Marketing Quota Regulation reflects the decision of the Turkey Farmers of Canada (TFC) Directors at their meeting of December 3-4, 2025, to adjust the conditional allocation under Section 2 of the Export Policy. The rationale for revising the federal quota for inter-provincial and export trade of turkey to 168,714,542 kg for the 2025/2026 Control Period is detailed in the following sections.

Contents:

- 1) Relevant Motion
- 2) Federal Turkey Allocations
- 3) Proposed Amendment: Section 2 of the Export Policy
- 4) TFC Policies and Statutory Obligations
- 5) Revised 2025/2026 Federal Quota
- 6) List of Appendices

1) Relevant Motion

During the TFC 284th Meeting of December 3-4, 2025, the following motion was passed that necessitates this Quota Order submission:

To approve the request from Ontario to revise their conditional allocation under Section 2 of the Export Policy to 4,268,368 kg for the 2025/2026 Control Period.

2) Federal Turkey Allocations

As per the TFC Commercial Allocation Policy, conditional policies, previous decisions and relevant motions, the 2025/2026 federal quota for turkey, excluding the unregulated area, consists of the following components:

N=L-M	Over Base Allocations	158,011,900	71,672,990

3) Proposed Amendment: Section 2 of the Export Policy

Allocations under this policy provision enable production by firms that export whole birds and/or breast meat along with co-product wings, thighs, and drums. Whole bird exports earn utilizations on a 1-to-1 basis. Part exports generate utilizations if breast meat and co-product wings, thighs and drums are exported. Allocations are based on forecasts provided by Provincial Boards at the request of exporters within their province that utilize this policy. Due to a request by a firm in Ontario, that province's allocation under this policy has increased by 1,800,000 kg to 4,268,368 kg.

4) TFC Policies and Statutory Obligations

This amendment adheres to the terms of the TFC Export Policy.
